

## **Göran Nyberg**

*Executive Vice President, Commercial Operations*

Göran Nyberg is Executive Vice President, Commercial Operations of Navistar, Inc. He is responsible for the sales and marketing areas of the business.

Prior to his current role, Nyberg was Executive Member for Sales and Customer Solutions at MAN, where he successfully managed the realignment of the Sales division and launched its new generation of trucks.

Nyberg has a vast history in the commercial vehicle industry. Prior to MAN, Nyberg spent time with Volvo Group, initially as

Managing Director of Volvo Sweden in 2003, followed by international positions in management in Malaysia, Thailand and the United Kingdom. Most recently, he joined Volvo Trucks North America in 2012 as President, where he spearheaded the transformative commercial operations process leading to one of the most diversified customer bases in the North American commercial vehicle market.

Nyberg holds a degree in mechanical engineering and has completed extra-occupational programs for management and leadership at European level.
