

Phil Shook, Executive Vice President – Chassis & Containers

Phil Shook is Executive Vice President – Chassis & Containers for Milestone, which leases and rents a diverse fleet of approximately 110,000 trailers, chassis and domestic shipping containers nationwide. Shook joined Milestone in 2021 to lead the expansion of its domestic intermodal segment and oversee its enterprise-wide marketing function.

Prior to joining Milestone, Shook served in a variety of strategic roles for C.H. Robinson for 24 years, most recently as Vice President, North America Surface Transportation. During that time, he also served as a Board member for the

Intermodal Association of North America (IANA) and the University of Denver Transportation Institute.

His experience working in the rail and logistics space is invaluable as Milestone continues to grow its domestic intermodal business, while focusing on delivering a broad range of solutions to customers throughout the surface transportation industry. Working with a carefully selected executive team with proven industry experience and complementary abilities, Shook helps Milestone deliver new customer solutions, a best-in-class customer experience, and continued above-market growth. When he isn't working, Phil enjoys playing golf, drinking wine, and spending time with his family.
