

Daniel has been with TrinityRail since 2013 and currently is the Director of Sales Operations and Market Intelligence. In his role, he leads a team that works with sales processes and metrics, industry analysis, and forecasting. Prior to his current role, Daniel was the Principal - Market Intelligence leading Trinity's market analysis efforts and has been a Market Analyst focusing on Energy Markets. Daniel has a Bachelor's Degree in Economics and Political Science from Trinity University and a Master's Degree in Predictive Analytics from Northwestern University. Daniel is a Senior Member of INFORMS (Institute for Operations Research and Management Sciences) and has served as a Cluster Chair and Roundtable Chair for the Railways Application Section. In his free time, Daniel enjoys spending time with his wife, Emily, and their two sons Luke and Collin.
