

# Kevin Cook

Kevin is currently the President of MRC, a freight car leasing company serving the Chemical, Agriculture, Energy, Steel, Food & Beverage, and Forest product industries in addition to the major railroads. Kevin has over 20 years of experience in the rail industry in both manufacturing and railcar leasing. Kevin is currently a member of the RSI Board of Directors and Chairman of the RSI Equipment Leasing Committee. Prior to working at MRC Kevin spent 17 years working with Midland Manufacturing in various roles.

Kevin is a Graduate of Washington & Jefferson College and earned an MBA from the University of Tennessee. When he is not leasing railcars Kevin and his wife love to travel, enjoy live music, and sporting events.
