

John O'Bryan

John O'Bryan served as CEO of A. Stucki Company for the past 3 years and led 4 divisions Engineered Products, Repair & Reconditioning, Maintenance of Way and Fueling Services. He built world class teams striving for excellence in safety, quality, profitability, and respect for people.

Previously, he served as President and CEO of American Rail Industries. ARI (NASDAQ) was a \$2.0 billion business with 2,200 employees and 25 locations striving to deliver service excellence in manufacturing, leasing, repair services, and leasing. In 2019, ARI was acquired by ITE (Private Equity) for \$1.7 billion. After purchase, The Greenbrier Companies purchased the manufacturing business for \$430M and he led the integration of 8 locations and 1,600 employees.

Prior to ARI, he served as President and CEO of American Rail Leasing. He led \$5 billion leasing business with over 50,000 railcar assets serving over 350 customers. In 2017, ARL was acquired by SMBC for \$3.4 billion and created substantial shareholder value for Carl Icahn.

In the past, he served as President of Mitsui Rail Capital, COO / CFO of the Rescar Companies, and SVP Sales for GE Rail Services. Mr. O'Bryan began his career at CSX and held a variety of leadership roles in operations and commercial roles.

He earned a BA-Marketing from Jacksonville University, an MBA-Finance from University of N. Florida, a CPA from NIU and completed Advance Leadership Program at University of Chicago. He loves to spend time with family, read, golf, ride bikes with his wife and serve others in the community while attending The Crossing Church in St. Louis, MO.
