

Sean Hankinson

Sean possesses over 35 years of experience in the rail industry. He most recently served as Chief Commercial Officer at American Industrial Transport, Inc. (“AITX”), a major lessor of freight cars and repair services. Prior to his time at AITX, Sean held leadership roles as Vice President & General Manager at The Andersons, Inc.; and as Vice President of Operations at Freight Car America. In both roles, his responsibilities included the oversight of engineering, operations, sales, repair, and leasing of railcars.

Sean has a BS in Mechanical Engineering Technology from the University of Pittsburgh and an MBA from Saint Francis University in Loretto, Pennsylvania. He was a practicing professional engineer in Pennsylvania from 2003 until 2013. He also recently was certified as an Executive Coach from ICF. Sean and his wife Natalee enjoy playing golf along with almost any other outdoor activity.
