

## **Erin Van Zeeland**

---

### **Senior Vice President/GM, Logistics and Chief Commercial Officer**

Erin Van Zeeland is the Senior Vice President and General Manager of Logistics at Schneider, a premier provider of transportation, intermodal and logistics services. In this position, she is accountable for the strategy, execution and growth/profitability of Schneider's fastest growing segment including brokerage, supply chain and distribution management and the power only service offerings. Additionally, Van Zeeland is the company's Chief Commercial Officer. In this capacity, she is responsible for the commercial strategy and the development of the organization which includes activities relating to marketing, sales, sales force effectiveness, product development and service that drives business growth and expanded market share.

Van Zeeland started her career at Schneider in 1993 and has subsequently held several leadership roles in a variety of positions with increasing responsibility for customer growth and business expansion throughout operations, tech, business transformation, human resources, enterprise/global customer engagement and logistics.

Van Zeeland holds a bachelor's degree from Pennsylvania State University and an MBA from Silver Lake College in Manitowoc, Wisconsin. She also received a Corporate Governance certificate from the Harvard Business School. Van Zeeland has been recognized with the 2023 Women in Trucking Distinguished Woman in Logistics Award and the 2023 Silver Stevie Award for Female Executive of the Year. She currently serves on the board of directors for the United Way – Green Bay, the Transportation Intermediaries Association (TIA-Logistics industry) and co-leads the Schneider Women's Network, among other women in leadership and business programs.
