

Roger Jimenez

CFO, VP Accounting, Finance & IT

Roger Jimenez currently serves as CFO, VP Accounting, Finance & IT for Tokai Carbon CB. As CFO, he is responsible for all of the company's financial functions, IT, and Corporate Legal Matters. His career spans more than 20 years of varied experience in financial management, business leadership, and corporate strategy.

Prior to joining Tokai Carbon in 2021, Roger served as North American CFO for Solvay, a Specialty Chemical Manufacturing Company. During his tenure at Solvay, he held additional senior roles with various responsibilities including V.P. of Strategic Initiatives & Vice President of Supply Chain for Solvay Chemicals Business.

Earlier in his career, he held senior-level financial positions in both Private Equity, Pharmaceutical, and Nutraceutical Manufacturing for companies including Nestle Health Science (Garden of Life) and Ribbon Naturals.

Roger received his Executive Degree from The Wharton School of the University of Pennsylvania and his Bachelor of Science degree in Business Administration & Accounting from Florida Tech with CPA License and a CMA registration.
