

Jerry is currently Manager of Market Planning at TTX Company. In this role he is responsible for understanding how commodity and transportation market trends are impacting the need for capital investment in, and usage of, TTX carload fleets. In his twelve years with TTX he has held various positions in both Marketing and Finance. Jerry earned his Bachelor's of Science in Finance from Indiana University, an MBA from the University of North Carolina Chapel Hill and served in the Marine Corps Reserve for eight years.
