

Michael Roeth, Executive Director, NACFE and Principal, NA Freight, RMI

Mike has worked in the commercial vehicle industry for over 35 years, is the Executive Director of the North American Council for Freight Efficiency and is the trucking lead for RMI. Mike's specialty is brokering green truck collaborative technologies into the real world at scale. He currently serves as the trucking voice on the Electric Vehicle Working Group (EVWG) of the Joint Office of Energy and Transportation, in October 2021, Mike was named an Industry Influencer by FleetOwner and awarded the prestigious SAE 2020 L. Ray Buckendale Lecturer and manuscript author in 2020. He has a Bachelor of Science in Engineering from the Ohio State University and a Master's in Organizational Leadership from the Indiana Institute of Technology. Roeth served on the second National Academy of Sciences, Engineering, Medicine Committee on Reducing Fuel Consumption and Greenhouse Gas Emissions of Medium- and Heavy-Duty Vehicles, is a Department of Energy Merit Reviewer and past Chairman of the Board for the Truck Manufacturers Association. He understands the customers, operations and intricacies of the commercial vehicle industry having held various positions with Navistar and Behr/Cummins.
