

YOUR TICKET TO TRANSPORTATION THOUGHT LEADERSHIP

Your team doesn't have time to sift through every transportation headline to find little in the way of actionable intelligence. We've created the perfect package covering the major market news that matters so your team can focus more on your core business.

Comprised of four components, we'll deliver the news directly to you when you need it so you'll have the intel you need to be your company's thought leader.

Includes:

WEEKLY TRANSPORTATION UPDATE

» Sample Download

Delivered: Weekly

Delivered directly to your account dashboard at the close of business each Friday, the Weekly Transportation Update is your need-to-know changes in the transportation market.

A comprehensive rundown, we'll update you on what you need to know with key:

- Economic data
- Trucking data
- Rail and intermodal data
- Regulatory news

C-SUITE SYNOPSIS

» Sample Download

Delivered: Monthly

Your monthly rundown of the major market moves that have taken place over the month across all modes of transportation.

STATE OF FREIGHT INSIGHTS

» Sample Download

Delivered: Monthly

A data-driven analysis of a transportation hot topic usually 6-8 pages in length. This FTR expert insight will make you the unequivocal thought leader in your organization.

INDUSTRY ASSESSMENT

» Sample Download

Delivered: Monthly

As the only freight forecasting scrutinizing commodity movements at the level we do, the industry assessment is an overview of select major commodity groups, how they've changed, and they're positioned for growth.

ABOUT YOUR INVESTMENT

A small investment with a big payoff, the State of Freight Insights service will save your team time and energy each week.

Priced at \$2,500 annually as a stand alone service, or included for free with all Premium level FTR services!
